P.O. box. He wrote me a letter saying that he wanted to fill my closet with clothes. I have no problem with that! Otherwise, I've had a couple of semi-stalkers, but never anyone that got crazy-crazy. I get some really weird letters, but I also get some very flattering ones. I think because I'm so communicative with my fans that people like me. I mean, I've heard some horror stories from some girls in the business and I've never had to deal with anything like that, thank God.

HS: Any other cool gifts that fans have sent to you?

JH: I once got a present from a fan of mine who was in jail at the time and he carved my face into a bar of soap. It was some of the most skillful work I've ever seen. He used the color-coating from M&M's as dye and colored the soap like that. It was amazing.

HS: Wow. That had to be a lot of work.

JH: Yeah, it's very interesting. I didn't know whether to be scared or excited.

HS: Well, he used all the resources he had available to him and he made you a gift. That's pretty sweet.

JH: Yeah, and I keep everything. It's right up there on the shelf beside the boots!

HS: What's your favorite sexual position off-screen when you're with your boyfriend? Is it different from your likes and desires when you're working on-camera with women?

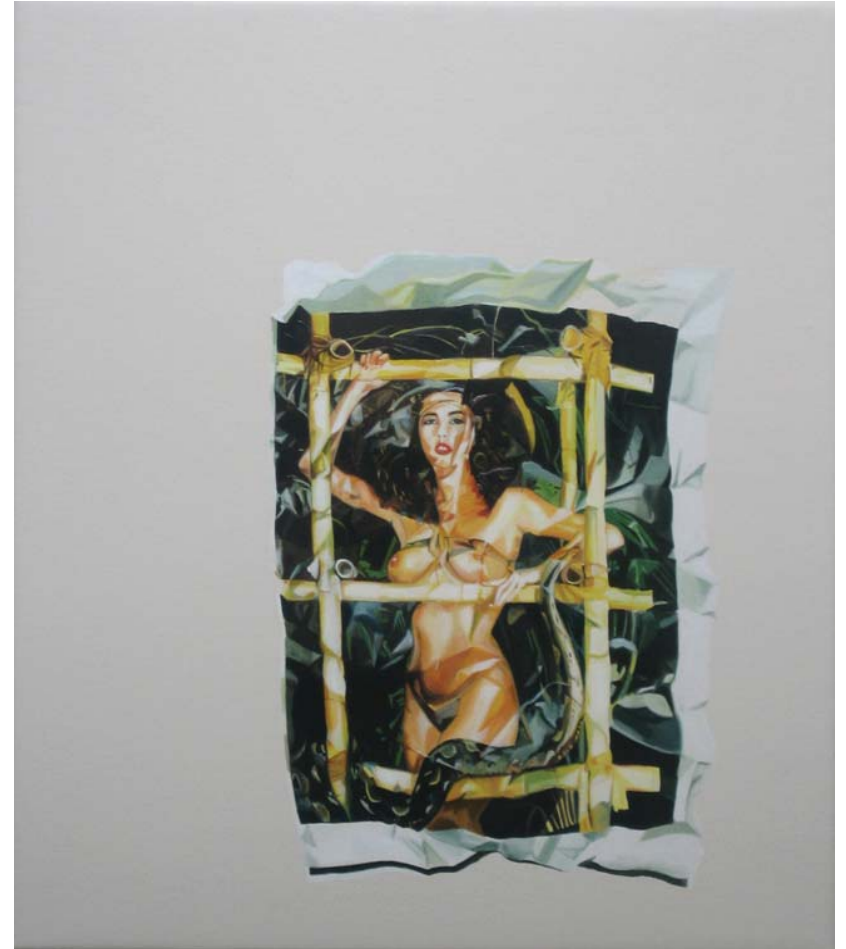

JH: Actually, it's the same no matter what. I absolutely love doggie-style. I mean, I love it. I'm also kind of old-fashioned and I really like missionary position. I guess that doggie would be my favorite, kind of wild position and missionary would be my favorite position for closeness and affection. I love to be spanked and I'm kind of submissive so doggie is great for that. I also love to be close to the other person and kiss so missionary is the best position for that. It's very intimate. I'm old-fashioned and simple. I mean, I like pile-driver and crazy positions like that, but they are just too much work to do at home. Nobody does that stuff at home!

HS: I wouldn't call it "old-fashioned," I'd call it getting what you want.

JH: Yeah, I do get what I want but I mean, you only really see the crazy positions in porn movies. I can get exactly what I want out of sex just doing it doggie-style and missionary.

HS: So tell me your favorite movie, music and books.

JH: Wow, really? Oh my God, I've never been asked that question and I've always wanted to answer it. When I'm being interviewed, people aren't usually inter-
